

PRO plan filing - planholders

Overview

At the core of the system, the planholder grips continuously along its entire length without the need for planstrip or punching holes.

- Planholders are suspended at one end only
- Ergonomic spring steel clips take seconds to open & close regardless of number of drawings
- Robust construction with durable silver or ivory epoxy coating
- 3 standard sizes:
A0, A1 & A2
- Maximum capacity
50-100 sheets
- Standard pack size:
10 planholders
