

PRO plan filing - wall racks

Overview

If floor space is at a premium, PRO wall racks keep your plans at hand, but out of the way. The unique design allows any size of planholder to be fanned out 180° for superior viewing. When not required, the planholders lie flat against the wall.

- Suitable for any size of PRO planholder
- Capacity of 2 or 5 planholders – up to 500 drawings
- Small 9 x 9cm footprint requires minimal wall space
- Robust all-steel construction with durable black epoxy paint.
- No assembly required – just fix to the wall (fixings included)
